Eanes Independent School District
Transportation Department
1110 Westbank Dr
Austin, TX 78746

Dear Parent/Guardian,

We have received a large number of requests by parents to have a "shuttle" bus transport students that live in Rollingwood directly to the community immediately following the dismissal of Hill Country Middle School.

In previous years, the students that lived in Rollingwood and attended HCMS boarded a school bus at dismissal which then traveled to Westlake High School to pick-up additional students for the neighborhood. With very little time between the dismissals of the two schools, we were not able to provide this "shuttle" service.

This year, however, due to the change in dismissal times, the bus will now be able to make a single stop in Rollingwood prior to going to the High School. This single stop will be located at the Rollingwood Municipal Park at the corner of Rollingwood Dr. and Gentry Dr. Students who have parental permission will be able to depart the bus at this location. Students without parental permission will be required to remain on the bus until it makes its normally scheduled route stops after its pick-up at the high school.

If you would like to give permission for your Hill Country student(s) to depart at the Municipal Park, please fill out the form below for each of your children and each return it one the bus driver of the AFTERNOON shuttle bus. The route number will be 602. Plus, due to the number of requests for this shuttle, we have already affectionately named it the "Rollingwood Rocket."

We are extremely pleased that we are able to provide this service to your neighborhood. If you have any questions or comments, please call the Transportation office at 732-9050.

Carl Kirst,

Director of Transportation

I hereby give Eanes ISD permission to drop my child, who attends Hill Country Middle School, at the afternoon shuttle bus-stop at Rollingwood Municipal Park. I understand that my child will be required daily to provide his/her student ID and the "Shuttle Pass" provided by the school district. I further understand that transportation from the park will be my responsibility.

All information is required.
